

Job Title:
Driver/Labourer

Job Description:

The Landscape Driver/Labourer is responsible for the operation of the company 5-ton dump truck and coordinating activities with all landscape and hardscape projects. The Landscape Driver/Labourer is responsible for the loading, delivery and unloading of materials and equipment to project locations, company yards and suppliers. When required, the Landscape Driver/Labourer is also responsible for executing the day to day activities, including installation tasks, required to complete landscape and hardscape installations in accordance with industry and company standards.

Salary: \$18-\$24/hr

Essential Functions:

- Safely operate company dump truck to pick up, load, deliver and unload materials, tools and equipment to various locations and job sites to ensure landscape and hardscape projects are sufficiently supplied and equipped to meet project timelines;
- Track and record all necessary information to ensure compliance with industry, company and ministry standards;
- Monitor and report vehicle and components for needed maintenance;
- Maintain a clean and safe truck at all times;
- Complete a variety of activities on the job site, including physical labour and utilizing various hand tools, power tools and equipment to complete landscape and hardscape projects under the direction of the foreman and/or lead hand;
- Maintain a clean and safe job site at all times;
- Other duties as required;

Responsibilities:

- Reports for duty at the designated location on time each day;
- Follows directions from management and/or foreman;
- Communicates well with all crew members, foremen and management;
- Coordinates material and equipment lists, pick up and drop off time and locations with all management, foremen and site leads;
- Maintain a clean and safe truck at all times;
- Maintains current, clear and accurate driving, safety and maintenance logs to ensure compliance with industry, company and ministry standards;
- Safely loads, secures, transports and unloads all materials and equipment as required;
- Ensures that all installation work is performed in accordance with industry and company standards;
- Participates in all company or job site safety briefings;
- Ensures personal protective equipment is compliant and utilized as required by industry and company standards;
- Ensures that all safety rules and company safety policies are adhered to;
- Participates in all safety training sessions offered, asks questions, and improves job safety skills;
- Monitors all tools equipment and machinery for needed maintenance and ensures all equipment safety and maintenance procedures are followed;
- Other duties as required;

Requirements & Capabilities:

- Previous experience operating 5-ton dump truck with float trailer;
- Previous knowledge and experience in installing a variety of hardscape applications;
- Previous knowledge and experience utilizing various hand tools, power tools and equipment;
- Punctual and dependable;
- Able to follow directions accurately and in a timely manner;

- Motivated, self-driven individual with unwavering attention to detail;
- Able to work effectively with individuals of differing knowledge and background (team members, contractors, vendors and clients);
- Heavy equipment operating skills including front end loaders, mini-excavators, and skid steer machinery with various attachments considered an asset;
