

Job Title:
Student Position

Job Description:

The Landscape Student Position is available to candidates who are unable to commit to a full season due to ongoing education. As a company committed to finding and developing industry leaders, investment in entry level positions is an essential component of our human resources model. If you are currently attending secondary, post-secondary or other professional development training, and are interested in growing with our company, a Landscape Student position may be an ideal opportunity for you. Develop new skills and gain valuable experience in multiple areas of our business while still earning an income. Full-time and part-time opportunities are dependent on business needs and an alignment of the candidate's career goals, past experiences and qualifications.

Salary: \$15-\$18/hr

Opportunities:

- Health & Safety Programs
- Landscape & Hardscape Installations
- Design & Sales
- Administration & Human Resources
- Productivity, Workflow and People Management in a Construction Setting
- Heavy Equipment Operation
- Truck Driving
- Marketing, Social Media and Website Management

Requirements & Capabilities:

- Must be enrolled in a secondary, post-secondary or other related training program;
- Must clearly communicate all pertinent dates and times related to education commitments at time of application;
- Previous experience, knowledge or relevant training/schooling considered an asset;
- Capable of participating in development conversations and learning opportunities to further growth in their particular role;
- Punctual and dependable;
- Able to follow directions accurately and in a timely manner;
- Motivated, self-driven individual with high attention to detail;
- Goal oriented and outcome focused in the decision making process;
- Able to work effectively with individuals of differing knowledge and background (team members, contractors, vendors and clients);
- Flexible with job description and duties as required by business needs;
